

Have courage; be kind; shine!

Hello

We loved sharing our harvest celebration with families this week. Huge thanks for the 10 large bags of food which we were able to donate to the Food Bank. We know there is increasing need within our local community, so it was lovely for the children to be involved in doing something to help. A great way for them to realise they are part of a community where people help one another out.

Science at Fairweathers

Our Year 5 and 6 children visited Fairweathers as part of their journey to excellence in science.

Sadie – Year 5 *We took the ipads out of school (Don't worry, Mrs Jones, we were very careful!) and we photographed a range of plants and their descriptions.*

Bella – Year 5 *When we got back to class we used Classification Keys to sort them – it was fascinating.*

Sailing Club

I had a lovely time visiting our fabulous sailing club last week. On a beautiful Tuesday evening I watched the children sailing their 'oppies' (plastic hulled boats for young beginners) at Salterns, where the water is safe and shallow without tides. Some of the children even taught me how to

tie a decent knot.

We are very lucky that parents from our school and members of the Beaulieu River Sailing Club give up their time to run the club. If you are interested in finding out more, please come along to our Sailing Assembly on Friday 10th November at 2.30 pm.

William – Year 3 *Before I started I didn't even know how to tack. Now I can tack (turn when the boom comes over slowly) and jibe (when it comes over suddenly). I can run (that's sailing with the wind behind you and letting the sail out so you go fast).*

George – Year 3 *I would thoroughly recommend sailing... It's really fun when you have an adult wader to help you. You can learn so much. (I'm not going to mention the lovely biscuits...!!) Once Harriet capsized when she was sailing; luckily we learn to capsize properly.*

Key Stage 2 Athletics Tournament

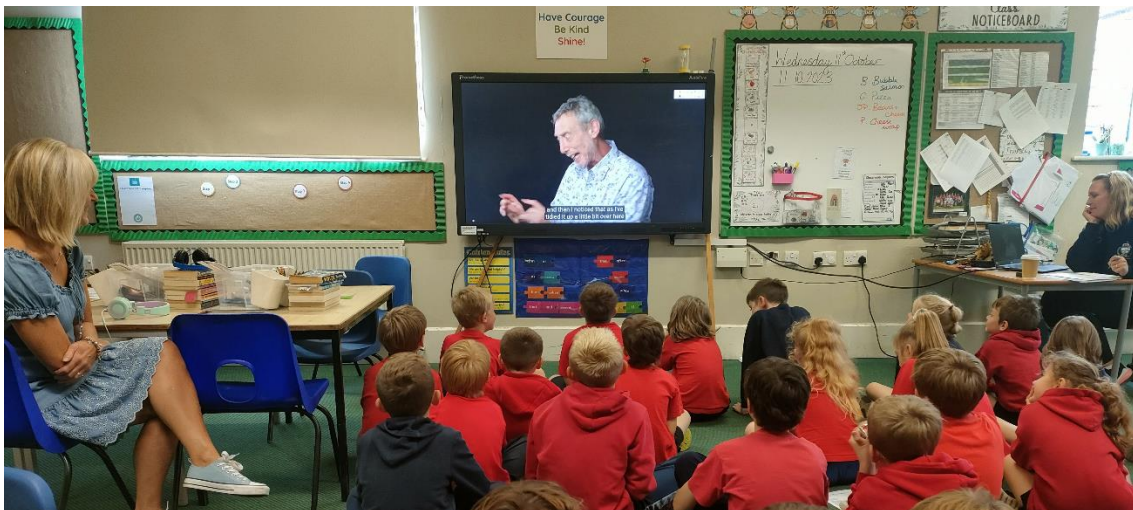

Ruby – Year 6 *The Sports Captains set up a range of competitions. At the very end we added up all the scores and announced the winners; we definitely worked hard!*

Robbie – Year 5 *It was the Year 5 Sports Captains' first ever competition to referee. It was difficult at first because I'd never seen the score sheets before but I got used to it. I enjoyed the experience.*

Josh – Year 6 *We had a fun time organising it. The tricky bits were adding the scores and getting the children organised. In the end we made a system where everyone stood in a line and the captains took the person opposite them for their team. Mr Toomer said the results will be announced in our next celebration assembly!*

Staffing Update

We were absolutely delighted to have a visit from Mrs Hinton (our wonderful Year 3 and 4 teaching assistant) on Wednesday. Here she is watching Michael Rosen with Maple Class, who were particularly happy about sharing the lovely biscuits she brought!

Kathy, as you may remember, was diagnosed with breast cancer during the summer. She has many months of treatment ahead of her but if anyone embodies our values of having courage, being kind and "shining," it is Kathy. She was full of the positivity we always associate with her. Kathy also looked amazing and had run her usual 4 miles before coming to see us!! It gave us all a huge boost to see her.

Harvest Festival

It was high up on the stage. I could see my mummy. It was good. **Mabel – Year R**

I could see my sister's hair but not her body. **Bobby – Year R**

I was very nervous of going up there, but I did it and then I felt proud and confident of myself. **Lucas - Year 1**

I thought I was going to feel really shy but I actually loved it and I could do it again! **Hunter – Year 1**

It was amazing when all those mummies and daddies clapped us! **Isabelle – Year 1**

We all worked as a team! **Belle – Year 1**

Really I was nervous and happy... a bit of both **Reggie – Year 3**

I was incredibly nervous about singing in French – I thought I would forget the lyrics – but actually it went well and I felt proud and grateful. **Lorne – Year 4**

I LOVED being a cauliflower. **Keira – Year 4**

Breast Cancer Awareness

We had fun today by dressing in pink to show our support for Breast Cancer Awareness Month. Our older children also had an assembly linked to this theme, in which we talked about courage and hope.

Together we raised over £200 for Breast Cancer UK. Thank you so much for your fantastic support.

Bethany – Year 6 *I wanted to go all out because my Nan had breast cancer and my mum's friend is just recovering from it and I was thinking about Mrs Hinton.*

Noah – Year 6 *We're all in pink to raise awareness about fighting breast cancer. Our money will go to support people who have it and to make sure scientists can keep researching ways to help.*

Can you spot the differences in the photos below?!

CPR Training for Children

East boldre Parish Council are holding an event for children to learn CPR. The event is free of charge and will be held at **East boldre Village Hall on November 21st at 7.00 pm**. This is a fantastic opportunity to learn life-saving skills in a fun, friendly way. The organisers ask that parents stay to join in or have

a chat with other parents. There is no age limit. Please contact Teresa (Mayce's mum!) on 07873928670 if you are interested.

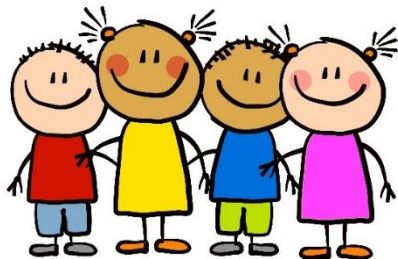

Years 5 and 6 Football Tournament

Mr Toomer was very proud of our Year 5 and Year 6 footballers who attended the inter-school tournament at Priestlands on Wednesday.

"All the children had lots of fun and the PE teachers commented on how hard working and respectful the Beaulieu children were."

A special well done to **Oscar and Robbie – Year 5** who were awarded wrist bands for respect.
