

Have courage; be kind; shine!

Hello

We have had a lovely week in school with lots of fabulous learning and some superb behaviour.

Our Year 6 children completed their Bikeability training the week before last. The team were extremely impressed by how polite, friendly and resilient our children were. The weather was dreadful but the cycle to East Boldre went ahead and the children were positive and enthusiastic throughout. Well done, Year 6!

We have been loving working with our cricket coach, Ryan, in P.E. lessons. Ryan said Beaulieu children are the friendliest, kindest and best behaved children he has worked with!

Shine!

We have been focusing on our "Shine" value. For us, shining means being an individual, being creative, and aspiring to learn and improve.

The children worked in their houses with Mrs Kerr to think about their dreams. Each child made a feather with their own dream represented and then they put them altogether to create wings.

We try to inspire our children by teaching them about people who "shine" and we encourage them to celebrate and feel inspired by the success of their friends. It can be hard, especially when you're young, to feel glad for other people's success. We are always so proud of the way our children celebrate each other's achievements.

Our amazing staff also model this for the children in the way they value and learn from one another.

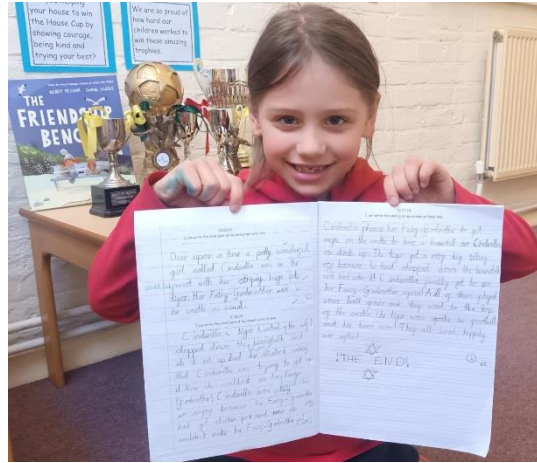

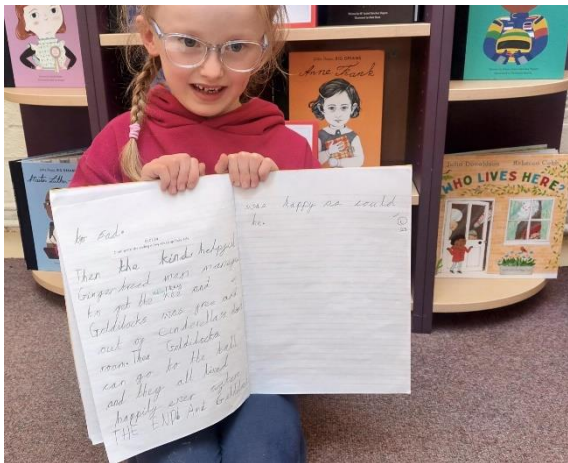

Albie – Year 4 (about the girls footballers) *Those girls must feel so proud of themselves... they were an inspiration!*

Mason – Year 3 *You would be so proud of Brin... he worked his socks off!*

Seb – Year 5 *I'm always proud of the children in my class – they do great work.*

Year 2 Authors

Mrs Stevens, Mrs Stroud, Mrs Kerr, and Ms Warr have been very impressed by all the lovely writing in Year 2 this week. The children have been writing their own versions of a fairy tale, showing off their creativity, their phonic knowledge, and their lovely handwriting. They planned, wrote, and edited their stories beautifully.

Theodore – Year 2 It was fun because we were all authors, and we wrote Mixed Up Fairy Tales. We used our ideas, but we also used story language you would know.

Felix – Year 2 I loved doing it, but my hand hurt a lot! I wrote 2 full pages and a quarter of a page. I wrote non-stop!!

Attendance

As you know, attendance continues to be a huge concern for us because of the gaps it causes in children's learning and the impact there can be on children's relationships.

It can be very difficult to judge whether your child is properly unwell, or just a little under the weather, or indeed if they just feel like being at home with you for the day.

Recently several families have brought children to school unsure whether they were well enough. We have kept a close eye on the children and, in some cases, sent them home when we felt they were not coping.

Of course, if your child has sickness or diarrhoea or a high temperature they will need to stay home, but if you are unsure, we would very much encourage you to bring your child in and let us know we need to watch them.

We will always phone you if we think your child is poorly and needs to go home.

Thank you for your support.

Fabulous Footballers

Mr Toomer was incredibly proud of the girls who represented us at Priestlands.

Year 3 and 4

Wow! What a fantastic afternoon the girls had. After some nervous waiting to play in the second fixture, the team's confidence grew and grew. It was lovely to see such great teamwork and shared encouragement.

A big well done to every player for showing real courage and for taking up the challenge of playing unfamiliar positions. I was proud to see such kindness and respect towards the other teams, the referees and each other. Every player really shone.

The team had a good few wins and a draw that meant they came away with bronze!

Special mentions to **Stephanie** for receiving the respect band, to **Sophie** for some fantastic goals and to **Millie** for some solid defending.

Year 5 and 6

Our Oak girls could not have had a much more successful afternoon! We took a squad of 12 and were able to field two teams of 6. Out of a combined total of 9 games, they drew 1 and won 8.

They were all incredible. Massive well done to **Grace** and **Sophie** for superb defending; **Skylar** and **Ruby** for playing in central midfield brilliantly, ensuring they covered all positions when needed and for solidly holding the teams together; **Mollie** and **Bella** for great passing, tackling and pressure; **Tayla** and **Molly** for fantastic dribbling and goals; **Rebecca** for being a great all-

rounder with good communication and leadership skills, great vision and the winning goal; **Harriet** for super centre-forward positioning, closing down, and for scoring goals; **Neve** for brilliant wing-play, making useful forward runs and getting into space, plus being really resilient and often winning back possession; and last but definitely not least, their star goalkeeper, and safe hands, **Lily**. They wouldn't have won gold without her last-minute super-save!

Every single player should be incredibly proud. They all played a huge part in bringing home gold.

Goal scorers were Molly-May, Harriet, Tayla, Rebecca, and Ruby.

Special mentions to Lily for fantastic shot-stopping, to Molly-May for her enthusiasm (and goals!) and to **Mollie C** for receiving the respect band.

Beaulieu Bakers

Our Year 3 and 4 children have been wowing us with their wonderful baking and bread making this half term. The children have been full of enthusiasm and they produced some superb results.

Our lovely neighbours in the High Street at Bellord and Brown took a keen interest in the children's competition, offering great advice and donating a wonderful prize. Huge thanks to them.

The final judging took place this afternoon. It was almost impossible to choose but in the end our Star Baker was... **Jude – Year 4.**

Congratulations, Jude, what a star!
