

Have courage; be kind; shine!

Hello

Lunchtimes and playtimes have been bathed in sunshine. Our Year 3 and 4 children also enjoyed a fabulous trip to Fishbourne Manor in glorious sunshine yesterday.

Our field is beautiful, but our shade is limited. **Please ensure your child has a sun hat and water bottle in school every day.** Please also ensure they come to school wearing sunscreen when the weather is sunny (extra sunscreen for top ups can be kept in book bags). Thank you.

Parent/Headteacher Meeting

A reminder that you are welcome to come to a meeting in our school staffroom on **Tuesday 14th May at 2.45 pm** to hear how we teach about relationships and to understand more about our plans for Forest School and outdoor learning.

There will also be an opportunity to ask any general questions.

Brilliant Beaulieu Girls

Our girls' football team have been in action again with an impressive 4:2 victory against Wildground girls.

The Beaulieu girls were highly sporting: Wildground were great hosts but did not have quite enough players, so our girls took it in turns to play for the opposition.

Congratulations to Ruby who was voted player of the match.

Years 3 and 4 School Trip

Mrs Lawler, Miss Bennison, Mrs Buckmaster and Miss Davies were extremely proud of Chestnut and Maple Classes' superb behaviour (and impressive historical knowledge) during yesterday's trip to Fishbourne Manor. The children really shone.

Phoebe – Year 4 We visited a Roman palace slash villa. We learnt that this rich man who used to live there actually came from England but he loved everything Roman and he got slaves to build him mosaics. There was a fire and they all fled. Years later a water pipe was being fitted and they discovered these amazing old mosaics!

Year 2 Athletics

Mr Toomer was very proud of our fabulous Year 2 athletes who represented the school on Wednesday at Priestlands.

The children gained an impressive 3rd place in the relay race.

Sports captains, **Jack and Mollie – Year 5**, showed maturity and huge positivity. They did a superb job of keeping the Year 2 children safe and helping them to feel encouraged.

Congratulations to **Freddie C and Freddie H** who were both awarded wrist bands for determination.

A big thank you to all the parents who came along to support.

Fantastic French

Our Year 5 and 6 children are improving their French in weekly lessons with Mrs Weller, French teacher from Applemore College. The children have been singing songs and learning poems as part of their lessons – a great way to pick up new vocabulary – and our teachers have been picking up tips from a subject specialist.

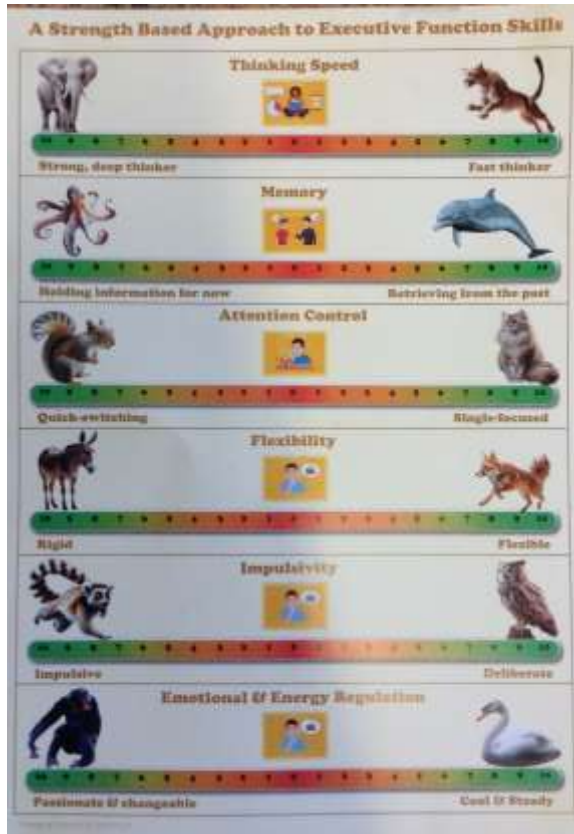

Patrick's Patch

Our Year 1 children LOVED their gardening and Mrs K and Mrs Williams were very proud of their lovely manners and of how hard they worked.

The children especially enjoyed helping Rachel, the head gardener, to cover the plants and seeds with a huge sheet of netting.

Thinking Skills

We have been talking to our children about brains and about the ways in which we think and behave.

Mrs Cunningham's weekly assemblies for all children and staff have explored the ways in which we need different thinking skills at different times. We might naturally find some skills more difficult than others, but we can all improve our skills and help each other to improve.

This work follows whole staff training with Kit Messenger, a leading figure in behaviour management. We love her approach and will be working with Kit again next year.

Kit's book, Curious not Furious, is written for parents and professionals. We have a copy in school which we're happy to lend to any parent/carer who would like to find out more. Please just speak to Lisa.

Elyza – Year 3 You have an Emotion Bubble. In some situations, you might have to calm your emotions, or your bubble might burst! Like not running into the

classroom shouting about what you're going to do the next day when everyone's trying to focus.

Sophie – Year 3 If you have an hour to do something, work steadily. Don't sit and relax for 45 minutes then have a big rush for the last 15!

Barney – Year 4 You have to feel like you count, and you matter. If you speak out it can help you feel connected. Concentrating is harder for some people, it's not your fault, but you can gradually learn to manage your distractions.

Bella – Year 4 You need to be comfortable and connected to feel safe and happy. Then it's easier to be flexible and think at the right speed. Like really, really concentrating on one thing or quickly thinking through lots of things.

Elliot – Year 6 We've been learning about how to keep friendships going and how to solve little problems because that's how to keep connected.

Super Singing

Our Year 3 and 4 children have started singing lessons once a week with Mr Burton, the head of music from Walhampton School. We hope to perform a concert for parents in July... more details to follow.
