1. Welcome to our School!

2. Letter from Michelle Hale, our Headteacher

I am extremely proud to be the Headteacher of such a wonderful school. Beaulieu Village Primary School is a highly successful small school at the heart of the historic village of Beaulieu. Our school is a family and our children thrive because the staff know them inside out and are passionate about enabling each individual child to achieve excellence and to shine.

Our children take part in very special events and have a range of rich experiences throughout their time with us. They experience belonging to our village, as well as our school, and leave us with unique memories, shining with the confidence that comes from having strong relationships and being known and valued as an individual.

The best way to find out about our beautiful school is to come and visit us. We would love to meet you.

3. Our School

We are a highly successful small school at the heart of the historic village of Beaulieu. Our school is a family and our children thrive because staff know them inside out and are passionate about enabling each individual child to shine.

Our children take part in very special events and have a range of rich experiences throughout their time with us. They experience belonging to our village, as well as our school and leave us with unique memories, shining with the confidence that comes from having strong relationships and being known and valued as an individual.

Parents appreciate what the school offers their children. One parent's comment summed up how many feel:

'The teachers and the headteacher know the children so well and really understand their individual personalities and needs.' Ofsted, 2021

If you would like to know more, please get in touch with the school office to arrange a suitable time to visit and/or take a look at our website:

4. Our Curriculum

We offer an inspirational curriculum, fired by curiosity and a love of learning.

We make the most of our beautiful and historic setting, our place at the heart of the village community and the family feel of our school.

With a culture of excellence within our school, our children go on a “journey to excellence” in each subject.

Our curriculum is underpinned by our School Values - Have **Courage**, **Be Kind**, **Shine!** as well as by our Jigsaw programme.

Have Courage Be Kind Shine!

“We’re all showing our values! We’re showing courage by walking all this way, especially people who don’t like it, we’re showing kindness to each other and helping people who are struggling and we’re all shining, doing this lovely thing for our school.”

Esme - Year 6

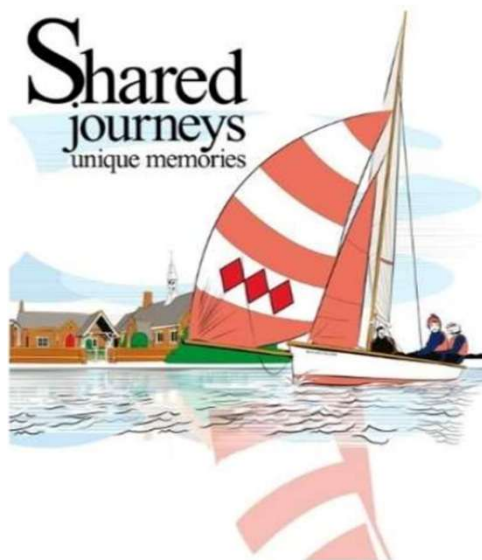

5. Our School Vision

What is our vision?

Our vision is of a school family, within which each child is inspired to have self-belief, to love learning and to strive for their personal best.

We seek to prepare our children to thrive in an uncertain future by teaching them to embrace their own individuality, to form strong relationships with others, to think creatively and to work hard.

What makes us, us ?

What do we stand for?

Strong relationships and inspiring teaching which enable each child to shine

What do we do?

Nurture, challenge and inspire our children to learn and to create unique memories

How do we do it?

By knowing our children "inside out" and using our journeys to excellence and our beautiful setting to bring excitement to learning

How do we want our children to feel?

Unique, valued, confident and inspired to learn

How do we want our families to feel?

Listened to, valued and proudly at the heart of our school community

How do we (staff and governors) want to feel?

Proud, passionate and inspired; a strong and supportive team

How do we want our village community to feel about us?

Warm, friendly and supportive, and a part of us

7. About Beaulieu

In a world which is increasingly 'tech' focused, the events that children have the opportunity to be part of with Beaulieu Village Primary School are unique, memorable and fun!

From the pancake races up the high street for children, parents and the whole village community, to the magical Christmas service in Beaulieu Abbey Church and the Summer Party hosted by Lord and Lady Montagu at the Palace House, as well as gardening at Patrick's Patch in the local garden centre.

All these extraordinary events constitute a piece of Beaulieu's charm, providing shared journeys and unique memories for the children, from the very beginning in Year R all the way through to Year 6.

"I had so much fun. We went canoeing on the Beaulieu River. Harriet felt really scared so the instructor attached me, her and Daisy to her boat and we had the special job to catch Moon Jellyfish to show the others - I think they're the only jellyfish in our country which don't sting"

Grace – Year 5

"We had such an interesting conversation, I could have talked to James and Oscar all day! It's so lovely to see the generations coming together and having so much fun."

Beaulieu Village Primary School falls within Lord Montagu's Beaulieu Estate, within the New Forest.

It is a non-denominational school with strong community links. Approximately 75% of children come from outside the catchment area; being very popular as parents are attracted to the friendly, small school, village setting.

Our ship logo reflects Beaulieu's nautical history with the three lozenges, estate emblem on the sail. The four coloured waves underneath the ship are the house colours.

"Celebration of long-held traditions like Pancake Day, the Nativity, the annual walk to Buckler's Hard, Family Sports."
