

Honesty **Respect** **Responsibility** *Kindness*

## Hello

We were very proud of how confidently the children sang and spoke during our Harvest Festival on Wednesday. It was fantastic to have such an enthusiastic and supportive audience.

Huge thanks too for your very generous donations at our Harvest Festival. We collected **9 large boxes of food and over £100 in cash for the Waterside Foodbank**... amazing!

## Families in school

It has been so lovely to have parents and families in school this week, celebrating children's learning.

Thank you so much for your support. We are looking forward to regular visits from families once again becoming a "normal" part of school life.

## Gardening in Key Stage 1

Our Key Stage 1 children have loved their gardening at Patrick's Patch this month. We are so grateful for Rachel and her lovely team of volunteers who create fabulous opportunities for the children which really enrich our curriculum.

## Sailing Assembly

We are equally grateful for our wonderful sailing club. Children are able to learn to sail at Salterns in Lymington after school on Tuesdays, thanks to parents and members of Beaulieu River Sailing Club who generously volunteer their time.

On **Thursday 10<sup>th</sup> November** we will be holding a special assembly to celebrate our young sailors and to say thank you to the wonderful volunteers who enable this highly successful club to keep going. The assembly will be held in the village hall and will start at **2.30 pm**.

Please feel welcome to join us, especially if you may be interested in joining the club in the future.

## Fabulous Year 4

Our Year 4 children have been greatly enjoying making sculptures, inspired by Leonardo da Vinci. Miss Bennison was so impressed by the thought the children put into their sculpture and by how sensitively they critiqued each other's work

## Change in the cost of School Meals

As you may imagine, in the current economic climate, HC3S (Hampshire caterers) is experiencing significant increased costs around food and pay, with food prices expected to escalate further. They have therefore decided, with regret, to increase their prices after half term.

**The cost of a school meal will become £2.80 with effect from Monday 31 October 2022.**

These are extremely challenging times for everyone. Families who are struggling may wish to visit the HC3S website where there is an eligibility tracker to work out whether they may be entitled to free school meals.

Of course children in Key Stage 1 are entitled to free meals anyway, but eligibility means that your child can receive extra financial support e.g. for clubs, trips etc.

# Fantastic Footballers

Mrs Buckmaster and Mrs Hinton were very proud of our Year 5 and 6 footballers who competed at Priestlands last week.

Well done to Riley and Felix who were both awarded wrist bands for respect. And another well done to Felix for scoring 2 goals right at the end!

**Elliot - Year 5** There is 1 word, teamwork.

**Zach - Year 6** Even though it's hard it's not impossible.

**Esme - Year 6** It's been amazing and we won the last game. We had a group hug.

**Quinn - Year 6** It's fantastic to see all other teams and respect each other.

# Parent/Teacher Meetings

Thank you to parents who met virtually with teachers this month – the teachers really enjoyed talking to you.

Apologies to families whose meetings were affected by technical challenges and many thanks for your patience.

There are, of course, advantages and disadvantages to meeting virtually. We know it works really well for many working families whilst some families much prefer to speak to their child's teacher in person, which we understand.

I will be reflecting with staff and also seeking feedback from you before deciding how to organise our parent/teacher meetings in the spring term.

## Parent/Headteacher meeting

Thank you to the parents who met with me recently. We talked about:

- Ways both school and families can help keep our children safe online
- Our new letter formation and our "push" to improve children's writing
- How the school is approaching the need to improve attendance and punctuality in order to improve learning

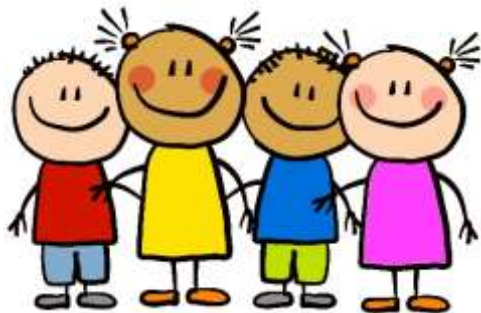

# Dramatic Drumming

Our oldest children (Oak Class) shared what they had been learning in their music lessons by performing for our youngest children (Willow Class).

**Isabelle – Year R** I love the big children – they're so clever.

**Lenny – Year R** It was noisy, but fun!
