"A warm, friendly school where everyone knows everybody — just like a family." Mrs Pothecary, Beaulieu

Welcome to Beaulieu Village Primary

I'm Katherine Jones and I'm very proud to be the headteacher here at Beaulieu.

Before I became head in September 2015, I was a teacher here for seven years.

We have a tremendous teaching and support team, wonderful children and really supportive parents. Together we're on a mission to make Beaulieu Village Primary an Ofsted-rated outstanding school.

The fantastic family environment we have means we know our children inside-out. This underpins our individual and aspirational approach to learning in which all our children are supported to succeed.

The best way to find out more about us is to come and see us in action.

I look forward to meeting you and your family.

"We play well together and support each other."
Aaron, Y4

"We are resilient learners. That means you keep going and you don't give up!" **Leo, Y1**
